## Career Objective :

MCA student with a strong interest in Software Development and Machine Learning, seeking an entry-level position to utilize my technical skills, enhance my knowledge, and contribute effectively to organizational goals. Passionate about developing innovative solutions and continuously improving my technical and professional abilities..

## Education:

| Qualification                | Institution               | Year         | Score      |
|------------------------------|---------------------------|--------------|------------|
| MCA (Pursuing)               | SPPU University           | 2025-Present | -          |
| B.Voc.(Software Development) | KBP University, Satara    | 2025         | CGPA: 9.41 |
| HSC                          | Kolhapur Divisional Board | 2022         | 51.83%     |
| SSC                          | Kolhapur Divisional Board | 2020         | 87%        |

## Projects :

### 1. Plant Disease Detection Using Machine Learning –

Developed a machine learning model to identify plant diseases from leaf images using image processing techniques, enabling early disease detection and improved crop health management.

### 2. Stock Price Prediction Using Machine Learning –

Built a predictive model using historical stock market data to analyze trends and forecast future stock prices.

### 3. Crop Recommendation System Based on Soil Data –

Designed a machine learning-based system that recommends suitable crops based on soil nutrients and environmental conditions to support better farming decisions.

## Technical Skills :

- Programming Languages:** Java ,Python
- Web Technologies:** HTML, CSS, PHP
- Graphics:** VS C o d e , V i s u a l S t u d i o , Adobe Photoshop
- Database:** SQL, Oracle
- Core Concepts:** Machine Learning, Data Analytics, Cloud Computing

## Language :

- English
- Hindi
- Marathi

## **Certification :**

- - Diploma in cloud computing.  
Sarathi(Government certificate in mobile Application Development)
  - National level workshop on Linux and cloud computing.
  - TCS iON career Edge- Young Professional course.
  - Accenture certificate in Artificial Intelligence.
  - Cybersecurity Analyst Job Simulation certified by TATA.
  - Data Analytics and Visualization certified by Accenture.
- 

## **Soft Skill :**

- Positive behavior self discipline
  - Learning new technologies
  - Teamwork and Collaboration
  - Time management
- 

## **Hobbies :**

- Learning new technology
  - Cooking
-
